

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

College strives hard to ensure gender equality and takes all possible measures for that. Our college is committed to educating and following the idea of gender sensitization among the students as their prime duty and part of constitutional obligation. Successive governments have taken a lot of initiatives by implementing welfare schemes to ensure gender sensitization in the field of Higher Education by providing totally free education to the girl students. Every year governments provide various scholarships (Mukh Mantri Kanya Uttathan Yojana) for the betterment of girl students. Our college constitutes a women empowerment Cell to create awareness among the students to assert their rights and to educate them about women empowerment. These cells on various occasions conduct various programs and activities for the students to popularize the idea of gender sensitization and empowerment. We display posters and other circulars from the government consisting of warnings and information about stringent measures against women harassment and ragging. Anti-sexual harassment cell has been taking special care about the girl students and trying to support in terms of instilling confidence among them while they face any types of problems within the campus or outside the campus. Our principal and concerned head of the Cells even take their parents in to confidence while taking any kind of problems faced by the girls. This made the girls seek admissions in large numbers to our college.
